## PHYSICAL LEVEL 2:

---

All our tours feature a physical rating to help you select the right holiday for you. To travel on any of our tours requires unaided mobility and the ability to stroll around the sights.

'Beyond the Brahmaputra' is rated as a physical level 2 tour. A reasonable level of fitness is required but it's more about spending time on your feet rather than covering large distances. You'll be getting on and off coaches and boats, walking around the sights and climbing some steps.

- Approx. 2 hours Heritage Walk tour in Kolkata
- Some people may have altitude/mountain sickness while travelling in Darjeeling/Gangtok area.
- Very early morning visit to Tiger Hill (0400 hrs) in Darjeeling.
- Climbing approx. around 100 stairs while The Buddha Park of Ravangla
- There will be sightseeing on foot for both short and extended periods of time
- Sightseeing at nearly all of the monasteries, temples, ect. involves climbing quite a number of steps, often without handrails

This tour has been carefully designed to minimise the effects of Altitude Sickness whilst in **Darjeeling & Gangtok**. Please be prepared for mild symptoms of Altitude Mountain Sickness (AMS) which include dizziness, fatigue, nausea, loss of appetite, breathlessness, headache and disturbed sleep. These usually develop over the first 36 hours at altitude and not immediately on arrival. AMS symptoms are experienced by people of varying ages and levels of fitness, and usually the symptoms will subside after a day or so. If symptoms worsen, you should seek medical advice and descend in altitude immediately. The following precautions may help to prevent or lessen the effects of AMS:

- Since fluid loss usually accompanies the acclimatisation process, drink plenty of fluids (3 - 4 litres daily at least) and eat carbohydrate food to keep the body properly hydrated
- Do not over exert and only partake in light activity immediate after your arrival
- Don't smoke, drink alcohol or take other depressants such as tranquilisers and sleeping pills, as these depress the respiratory drive and reduce oxygen intake.
- Assume any sickness at high altitude is AMS until proven otherwise
- Never ascend to higher altitudes while showing symptoms of AMS
- You must report any symptoms of AMS immediately to your National Guide

Of course, our National Escort and local guides will always endeavour to provide the highest level of service and assistance; however, they cannot be expected to cater for customers who are unfit to complete the itinerary.

Please note in order to obtain the permit a photocopy of your passport, a photocopy of the stamp you receive on arrival into India (the National escort will help with this), and 1 passport sized photograph is required along with your original passport.

### INSURANCE:

---

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original.

### GROUP SIZE:

---

Most of our groups consist of 10 travellers or more and will be accompanied by both a National Escort and local guides. There will be no more than 20 travellers in each group although you may encounter other Wendy Wu our groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 10 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only. Please note that a National Escort will not accompany you on board the cruise – there will be guides, pursers, ship managers and other staff to help and guide during the 10 night cruise.

## EATING IN INDIA:

---

Indian cuisine is one of the most influential, diverse and flavoursome culinary styles in the world. Indian dishes incorporate many spices and seasoning to create an explosion of flavours. Though Indian cuisine can vary greatly from the Indian food we get in Australia, it is important to keep an open mind and be adventurous. All meals (excluding drinks) are included in our classic group tours, from dinner on the arrival day until breakfast on the day of departure. Please be aware that dishes selected for your meals reflect the cooking styles and signature dishes of the local area you are in.

Dishes served in restaurants on our group tours are varied. Some will be vegetable-based with meat mixed in, and a few will be meat-based. Our restaurants are aware of the western palate – there are plenty of non-spiced options. When eating meals on group tours, you will usually be seated around a large table with other tour members. Dishes will be served in the traditional ‘family style’; meaning that various dishes will be laid out in the centre of the table. These dishes are intended to be shared amongst the group – there is always more than enough to feed everybody. Sikkimese cuisine depends greatly on the seasonal produce. Most meals will include grains (rice or barley), potatoes, vegetables and some meat.

Please read your travel guide, which you will receive with your final documents for more information about eating in India. We recommend that when it comes to Indian food, you stay open minded and try to be adventurous!

Bottled water will be provided on board the cruise and lunches will be at local restaurants.

## ACCOMMODATION:

---

Your accommodation has been selected for convenience of location, comfort, or character, and can range from a business hotel in one city to a family-run guesthouse in a smaller town or a heritage-type hotel. In remote areas, accommodation may be of a lower standard and may not have western amenities. Hotels are generally rated as local four to five-star standard but do please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and India. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards are met.

All group tour hotels have private western bathroom facilities, air conditioning, and a telephone. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort or Local Guide.

## TRANSPORT:

---

**Coaches:** Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Main and inner city roads in India have a reputation for being very congested. For this reason, it may not always be possible to return to your hotel after sightseeing to freshen up before going to the restaurant for dinner. Roads in India have generally been improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road - not just one or two kilometres as you may be used to. For this reason, the timings listed in the sections above are approximations only.

Whilst travelling in Kolkata, an air conditioned coach will be used, however in Darjeeling, Gangtok and Guwahati where roads are narrower and windier smaller vehicles will be used which take maximum 4 persons per vehicle. The group will travel in convoy and all pick up and drop off times will be the same. We will keep companion travellers together whenever possible.

**Road Conditions:** Time taken in getting from A to B in this region is usually dependent on the size of your group. Roads in Sikkim are mostly tarred but a single lane. Though marked as dual lanes, they are invariably the width of one and a half lanes. Road construction work usually covers an enormous section of road – not just one or two kilometres as you may be used to.

**Planes:** Internal flights are based on economy class, with reputable airlines.

## TIPPING POLICY:

---

Tipping while on holiday is common in most parts of the world and India is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. To avoid any inconvenience Wendy Wu Tours operates a tipping policy where a stated amount is given to your national escort at the beginning of your tour and tips are disbursed amongst your main service providers (for example local guides and drivers) throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the national escort. Any other tipping, such as tips for bathroom attendants or hotel porters that are taking luggage to your room, is at your discretion based on satisfaction of services received, as are gratuities for additional requested special services.

We generally find that most customers appreciate the convenience of our tipping policy but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

## PORTERAGE:

---

Please be aware that portage is not included on our tours in India. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

### LUGGAGE:

---

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms due to domestic flight luggage restrictions. Excess luggage can be paid locally. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

### DEVELOPMENT IN INDIA:

---

Although India is developing quickly, it still lacks the international standards of civil infrastructure and tourist facilities. Concepts of personal responsibility are also different to those in Australia. Consequently, tourist and public facilities may not uphold the same safety standards as in the Australia; for example, you may see a hole in the road without a warning sign or safety barricade. All of our suppliers meet local safety standards as a minimum. We want you to have an enjoyable holiday so we ask that you take extra care, use your common sense, refer to notices and follow advice from your National Escort or Local Guides.

### APPOPRIATE DRESS:

---

When visiting temples or mosques, both men and women should dress in conservative, non-revealing clothing. Full-length trousers with a shirt or t-shirt for men; and trousers or skirts well below the knee with a top that covers the shoulders and upper arms for women. Women might also consider carrying a 'modesty shawl' in their daypack – this could be a sarong or light scarf – which they can wear over their shoulders and heads to feel more comfortable while sightseeing at mosques. When visiting Jain temples, you must not wear or take in any leather items such as belts, watches, camera straps, purses and shoes.

Religious sites and homes throughout India – for Hindus, Jains, Sikhs, Muslims or Buddhists to name a few – require all visitors to remove their shoes to enter. Even if you then need to walk outdoors, over hot or rough ground, you will not be allowed to wear shoes. You will often find shoe storage rooms near the entrance of a site where it is customary to leave your shoes near the entrance. Occasionally there are 'shoe minders' who will offer to keep your shoes safe for a 'tip' – this is not compulsory so each customer can choose to tip for this service or not. If you do not want to remove your shoes, you will have to remain outside.

We recommend shoes that easily slip on and off, and carry a pair of thick, old socks in your daypack, which you can wear to protect your feet from any rough or hot surfaces.

We recommend walking shoes, with good ankle support, that are easy to remove when required at certain sites.

### **PUBLIC HOLIDAYS:**

---

Public Holidays please note that celebrations can last a couple of days and during these times some businesses will be closed, and coach, air and train travel may be affected. Tourist attractions will be open but may be crowded. India Republic Day is on 26th January, the Holi Festival on the 14<sup>th</sup> of March 2025 & 4<sup>th</sup> March 2026 (The Hindu 'Festival of Colours' can include locals smearing coloured powder on one another. Every effort will be made to minimise the effect on passengers whilst touring). Diwali Festival (festival of light) is on October 20<sup>th</sup> 2025 & November 8<sup>th</sup> 2026.

### **CLIMBING STEPS:**

---

Sightseeing at nearly all of the palaces, fortresses and some temples involves climbing quite a number of steps. These palaces were built to provide defense against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside. The steps tend to be quite large, not level and sometimes without handrails. Hindu and Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside.

People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

### **VACCINATIONS AND YOUR HEALTH:**

---

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful [www.travelvax.com.au](http://www.travelvax.com.au)

### **BEFORE YOU LEAVE:**

---

We strongly recommend registering your travel plans with [www.smartraveller.gov.au](http://www.smartraveller.gov.au) as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

### **AFTER YOUR BOOKING:**

---

Once you have booked with Wendy Wu Tours, you will receive an email with your confirmation invoice, along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2 weeks prior to departure.
